Grand openings.

Parliament Lights are opened for business. The business of keeping your lips from touching the tar that builds up on the end of the filter.

That's what our famous recessed filter does. And what no flush filter cigarette ever will.

Which is why Parliament Lights are so tastefully light.

Available in
Soft Pack, Box and 100's.

Only Parliament Lights has
the famous recessed filter.

Soft Pack: 9 mg "tar," 0.7 mg nicotine—*av.* 10 mg
